## REQUIREMENTS OF LAW — ILLINOIS DENTAL PRACTICE ACT

Section 48. Manufacture of Dentures, Bridges or Replacements for Dentists. Prescriptions. Order. Penalties. (a) Any dentist who employs or engages the services of any dental laboratory to construct or repair, extraorally, prosthetic dentures, bridges, or other replacements for a part of a tooth, a tooth, or teeth, or who directs a dental laboratory to participate in shade selection for a prosthetic appliance, shall furnish such dental laboratory with a written prescription on forms prescribed by the Department which shall contain: (1) The name and address of the dental laboratory to which the prescription is directed. (2) The patient's name or identification number. If number is used, the patient's name shall be written upon the duplicate copy of the prescription retained by the dentist. (3) The date on which the prescription was written. (4) A description of the work to be done, including diagrams if necessary. (5) A specification of the type and quality of materials to be used. (6) The signature of the dentist and the number of his or her license to practice dentistry.

(b) The dental laboratory receiving a prescription from a dentist shall retain the original prescription and the dentist shall retain a duplicate copy thereof for inspection at any reasonable time by the Department or its duly authorized agents, for a period of 3 years in both cases.

(c) If the dental laboratory receiving a written prescription from a dentist engages another dental laboratory (hereinafter referred to as "subcontractor") to perform some of the services relative to such prescription, it shall furnish a written order with respect thereto on forms prescribed by the Department which shall contain: (1) The name and address of the subcontractor. (2) A number identifying the order with the original prescription, which number shall be endorsed on the prescription received from the dentist. (3) The date on which the order was written. (4) A description of the work to be done by the subcontractor, including diagrams if necessary. (5) A specification of the type and quality of materials to be used. (6) The signature of an agent of the dental laboratory issuing the order. The subcontractor shall retain the order and the issuer thereof shall retain a duplicate copy, attached to the prescription received from the dentist, for inspection by the Department or its duly authorized agents, for a period of 3 years in both cases. (7) A copy of the order to the subcontractor shall be furnished to the dentist.

(d) Any dentist who: (1) employs or engages the services of any dental laboratory to construct or repair, extraorally, prosthetic dentures, bridges, or other dental appliances without first providing such dental laboratory with a written prescription; (2) fails to retain a duplicate copy of the prescription for 3 years; or (3) refuses to allow the Department or its duly authorized agents, to inspect his or her files or prescriptions, is guilty of a Class A misdemeanor and the Department may revoke or suspend his or her license therefor.

(e) Any dental laboratory which: (1) furnishes such services to any dentist without first obtaining a written prescription therefor from such dentist; (2) acting as a subcontractor as described in (c) above, furnishes such services to any dental laboratory without first obtaining a written order from such dental laboratory; (3) fails to retain the original prescription or order, as the case may be, for 3 years; or (4) refuses to allow the Department or its duly authorized agents, to inspect its files of prescriptions or orders, is guilty of a Class A misdemeanor. Amended by P.A. 86-1283, Section 1, effective January 1, 1991.

(25/49. Identification of dentures) Section 49. Identification of Dentures. (a) Every complete upper and lower denture and removable dental prosthesis fabricated by a dentist, or fabricated pursuant to his or her prescription, shall be marked with the name or social security number, or both, of the patient for whom the prosthesis is intended. The markings shall be done during fabrication and shall be permanent, legible and cosmetically acceptable. The exact location of the markings and the methods used to apply or implant them shall be determined by the dentist or dental laboratory fabricating the prosthesis. If in the professional judgment of the dentist, this full identification is not possible, the name or social security number may be omitted.

(b) Any removable dental prosthesis in existence which was not marked in accordance with paragraph (a) of this Section at the time of fabrication, shall be so marked at the time of any subsequent rebasing or duplication.
