

Ragle Dental Laboratory, Inc.
Quality Firstsince 1979

"Patients have been impressed with the technology and are excited that they are being treated with cutting edge dentistry."

Joseph Madura, DDS

"There are several reasons why I like using iTero: easy to use, no distortions and NO CROWN REMAKES!"

Yana Grinberg, DDS

"Of all different technology updates we have made over the years, nothing has awed patients like the iTero."

Scott Anderson, DDS

"It's a better way to do crown and bridge, period."

Michael L. Trautman, DMD

"We are big fans of the iTero and it has really become an integral part of the practice".

Martin Hill, DDS

"Patients love the ease of the iTero's digital impressions and we love the accuracy."

Katherine C. Hill, DMD
